

CAPABILITIES STATEMENT

CORPORATE OVERVIEW

The CIVDEF Group’s intent is to be a trusted advisor and provider of professional and logistic services, information technology services and solutions, and training and development systems to the US Government and their constituents. As a certified **Service-Disabled Veteran-Owned Small Business**, and value-added reseller, CIVDEF Group Inc. harnesses creativity, technology, value, and culture to deliver leading-edge solutions for real-world, mission-critical initiatives. With 40 years of combined government and commercial experience and extensive knowledge of federal contracting, our proven processes drive outcomes-based solutions and consistently deliver quality services and products that exceed customer defined goals. The CIVDEF Group is accountable, relationship-oriented, and outcome focused. We actively collaborate with SDVOSB, GSA, HUBZone, Woman Owned and 8(A) companies.
